**PRELIMINARY AMENDMENT AND RESPONSE TO OFFICE ACTION**

The Applicants' undersigned attorney thanks the Examiner for a kind and thorough of the Application. In the Office Action, the Examiner has indicated that an election/restriction is required. Applicants hereby elect Invention I as described in the Office Action and assert that claims 1 – 6 and new claims 21 - 27 read upon elected Invention I. The above election is made without waiving the right to file divisional applications based upon the unelected claims.

**IN THE CLAIMS**

Please cancel unelected claims 7 - 20 and add the following new claims 21 - 27.

**Claim 21 (new)**

A method for developing and performing a manufacturing project comprising the steps of:

*AI Sub* providing a concept proposal based upon at least one predefined need and a review of technology capable of achieving said predefined need;

*Sub* demonstrating that a technology is capable of providing said predefined need through a certain process;
